Mr. Lionel Murray,  
General Secretary,  
Trades Union Congress,  
Great Russell Street,  
London WC1.

Dear Mr. Murray,

Luis Corvalan - Chile

The delegates to this York and District Trades Council being very aware of a threat to the life of Luis Corvalan and also being very conscious of the continued danger which he is facing whilst he remains in the hands of the merciless Junta, we earnestly request the General Council of the Trades Union Congress to make the very strongest representation to the leaders of the Junta in Chile to release Corvalan and all the other democrats and trades unionists who have been imprisoned and tortured since the coup of September 15th.

We are quite confident that this appeal will be most sympathetically received, but the delegates would like to have concrete evidence of action having been taken along the lines suggested.

Yours faithfully,

*Richard Donaldson*
