A LIST OF SOME DEAD

The following is a list of persons who were murdered by the military in Chile. This list was compiled during the week of investigations in Santiago, Chile by members of the Commission. It represents an unknown fraction of the total number. An additional 96 persons were murdered together with those listed here but their names are not available, for example, the 3 bodies recovered from the Infantry School in Cerro Cheno, San Bernardo, including one of a 16 year old, are among innumerable victims of this military unit.
